

With its contemporary and cylindrical design this PoE Silindir Çift Şerti Wall Sconce is a great addition to outside areas that need ample lighting. The white acrylic diffuser expelled light in all directions due to it's shape and allows for ample lighting to light up areas near and around entryways, walkways, and provide accent lighting alongside a building.

Our intelligent LED PoE lighting solutions accelerates digital transformation of facilities in Internet of Thing (IoT) while providing an excellent option to the lighting designer or building management companies that are seeking aesthetic pleasure with digital building solutions throughout the facilities with option of covering multiple building networks beyond considerations of cost and efficiency.

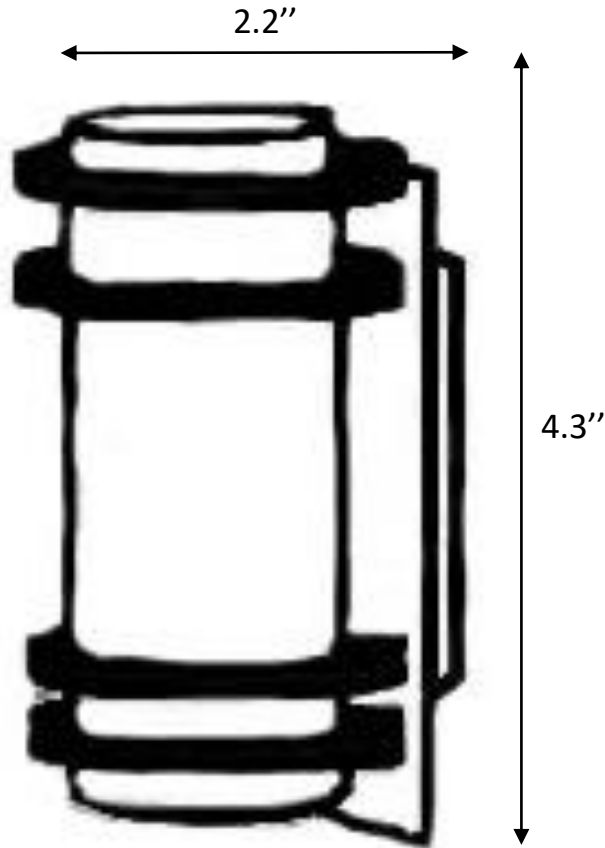

#### SPECIFICATIONS:

- Input Voltage: PoE Compatible
