Paresseux Floor Lamp

Product Description:

Simple and modern, this Paresseux Floor lamp incorporates concert to create a versatile piece with multiple uses. Mimicking the functionality of a crane, the cord glides through the arch with ease to raise or lower the shade which is perfectly balanced by its counterweight. The semi-opaque shade allows for a nice even distribution of light, which casts ambient illumination. This, paired with the aged brass finish allows for a nice clean modern design befitting any interior design.
