

## Belle Grotte Ceiling Mounted Fixture

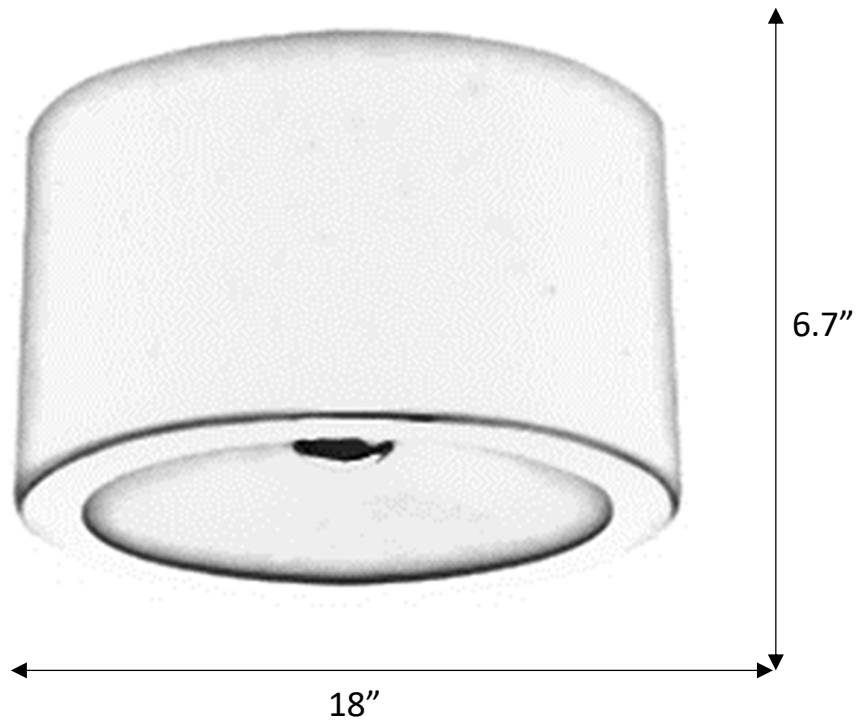

The Belle Grotte Fixture is a simple and beautiful design that is created with metal and glass. The spherical body of this fixture allows for even distribution of light in a softer, more intimate setting. The round shape is great for focal point lighting. This piece is great for use in all projects due to its adaptability in all designs.

- **SPECIFICATIONS:**
  - **Material:**
    - Metal & Glass
  - **Dimensions:**
    - **Diameter:** 18"
    - **Height:** 6.7"
- **ELECTRICAL:**
  - **Input Voltage:**
    - PoE
  - **Max Wattage (W):** 15W
  - **Lumen/Watt (L/W):** 100L/W
  - **Light Source:** 3 X E26 Lamps
  - **PoE Lamps not Included**
  - **IP Rating:** IP 20
  - **Controls:** 0-10V dimming with Poe Driver.
- **MOUNTING:**
  - Ceiling Mounted
- **LABLES:**
  - ETL conforms to UL STD 1598; Certified to CAN/CSA STD C22.2 LED
  - Light assembly conforms to UL 2108 for remote installation.
  - RoHS compliant
- **WARRANTY:**
  - 3-Year Limited Warranty
