

Hazdistazí Ceiling Mounted Fixture

The Hazdistazí Ceiling Fixture derives its name from the Navajo word for 'spiral rock arches'. As such the fixtures solid wood diffuser looks much like 'spiral rock arches' and it's body is made from iron with a chrome finish. The unique design of wood folds allows for a unique but even light distribution which gives off subtle and ambient lighting. A beautiful piece that any lighting designer can incorporate in most modern and transitional designs.

- **SPECIFICATIONS:**
 - **Material:**
 - Metal & Wood
 - **Dimensions:**
 - **Diameter:**
31.5"
 - **Height:** 16"
- **ELECTRICAL:**
 - **Input Voltage:**
 - PoE
 - 110-277V
 - **Max Wattage (W):**
20W
 - **Lumen/Watt (L/W):**
100L/W
 - **Light Source:** 4 X E26
Lamps
 - **PoE Lamps not Included**
 - **IP Rating:** IP 20
 - **Controls:** 0-10V
dimming with Poe
Driver.
- **MOUNTING:**
 - Ceiling Mounted
- **LABLES:**
 - ETL conforms to UL
STD 1598; Certified to
CAN/CSA STD C22.2
 - LED light assembly
conforms to UL 2108
for remote
installation.
 - RoHS compliant
- **WARRANTY:**
 - 3-Year Limited
Warranty
