## Crinoline PENDANT

### Description:

With its bell-shaped shade reminiscent of hoop skirt, the Crinoline Pendant is made with a stainless-steel finished mesh shade and comes with a transparent cord. The mesh looks like a traditional fabric shade however, the fact that it's made from metal allows for it to be durable. Available in a variety of different finishes, the Crinoline Pendant is perfect for contemporary settings and can be integrated into any space the lighting designer decides.
