Geode Pendant

Geode Pendant

Description:

The Geode Pendant is a unique take on contemporary pendants. This light comes with many sides, and looks different from various angles, allowing this to be the center of attention and a beauty by itself. Easily parable with various designs and themes, this becomes a classic designer pendant with an everlasting design. It's unique construction of the inner gold-bronze color and outer avail in black or white allows for this pendant to fit into any type of space.
