

This PoE Linear Cylindrical Wall Sconce with its satin nickel finish and matt opal acrylic shade is perfect for illuminating areas that need accentuating lighting. The light is diffused through the acrylic shade creating a soft and subtle light which is perfect for hallways, annexes, corridors and other similar areas. This fixture can be installed vertically or horizontally depending on the designer's needs and goes well with more transitional or contemporary designs.

Our intelligent LED PoE lighting solutions accelerates digital transformation of facilities in Internet of Thing (IoT) while providing an excellent option to the lighting designer or building management companies that are seeking aesthetic pleasure with digital building solutions throughout the facilities with option of covering multiple building networks beyond considerations of cost and efficiency.

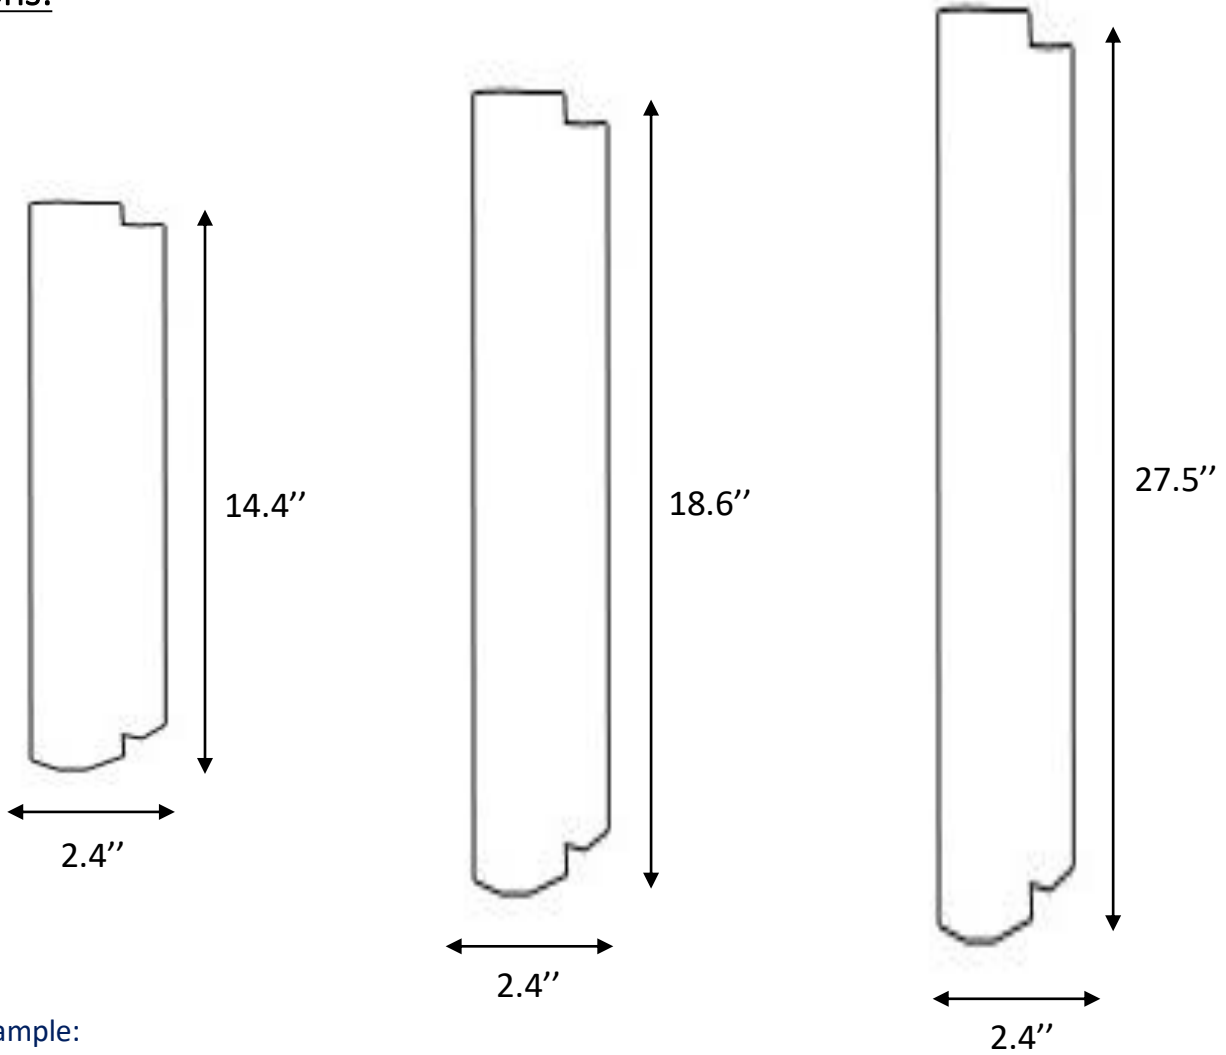

SPECIFICATIONS:

- Input Voltage: PoE Compatible
- Wattage (W): 18W/24W/36W
- Damp location rated, IP44
- Controls 0-10V dimming with PoE Driver
