

The PoE Black Wenge Wall Lamp is beautifully crafted with a black wenge finished wood and chrome finished metal back plate. This design features a more transitional style wall sconce, mixing a classic look with a modern touch. This fixture is ideal for task lighting and reading and can be used in a wide range of places, from next to bedsides, to reading nooks and crannies, And many other functions the lighting designer may have.

Our intelligent LED PoE lighting solutions accelerates digital transformation of facilities in Internet of Thing (IoT) while providing an excellent option to the lighting designer or building management companies that are seeking aesthetic pleasure with digital building solutions throughout the facilities with option of covering multiple building networks beyond considerations of cost and efficiency.

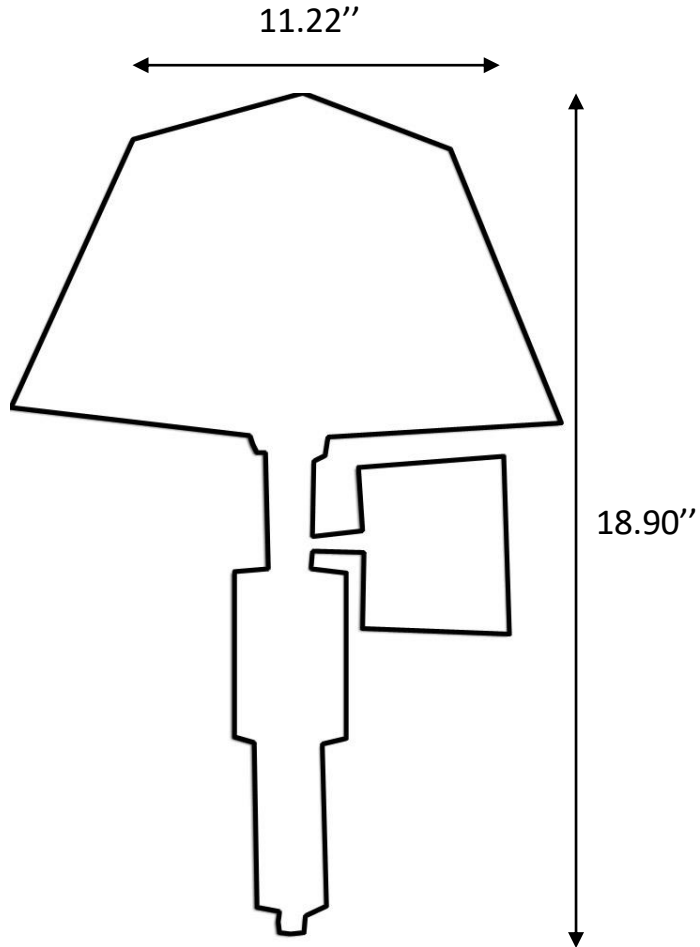

SPECIFICATIONS:

- Input Voltage: PoE Compatible
- Wattage (W): 6W
- Damp location rated, IP20
- Controls 0-10V dimming with PoE Driver
