

The PoE Vintage Wall Sconces are beautifully designed fixtures incorporating vintage style shades paired with a shiny chrome finish. This fixture emits a nice warm light, while giving ample lighting. This piece can be used in a wide range of applications and comes in a single lamp or a double lamp.

Our intelligent LED PoE lighting solutions accelerates digital transformation of facilities in Internet of Thing (IoT) while providing an excellent option to the lighting designer or building management companies that are seeking aesthetic pleasure with digital building solutions throughout the facilities with option of covering multiple building networks beyond considerations of cost and efficiency.

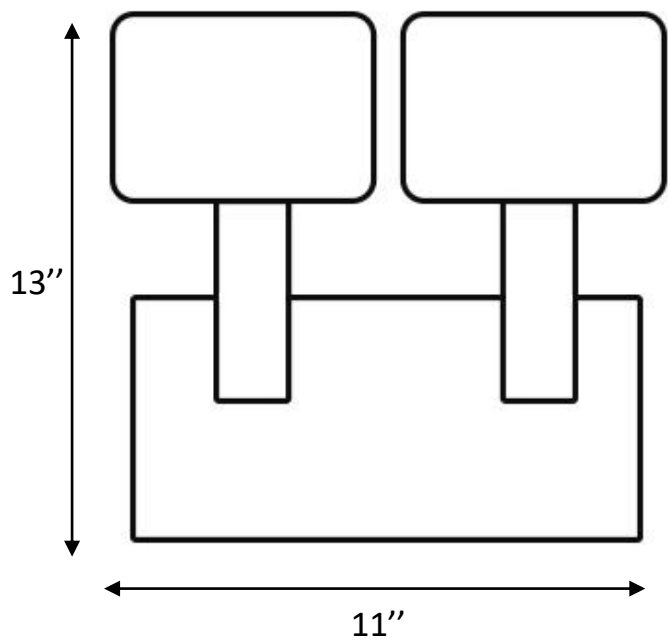

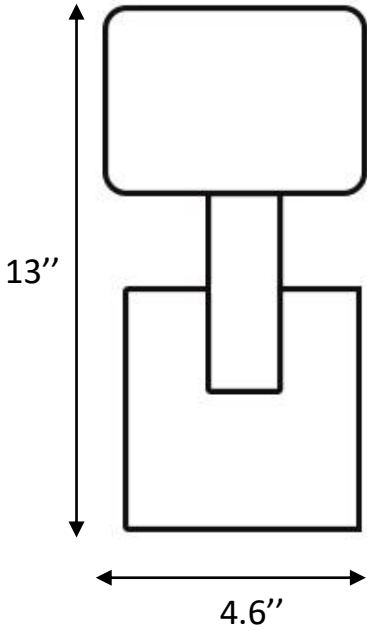

#### SPECIFICATIONS:

- Input Voltage: PoE Compatible
- Wattage (W): 9W/Bulb
- Damp location rated, IP20
- Controls 0-10V dimming with PoE driver
