

The PoE Mehr-Streifen Wall Sconce is a decorative fixture. The simple, minimalistic geometric design allows it to be paired with a multitude of designs. The white opal glass diffuser was designed to cast light in all directions and generate a nice soft hue of illumination. Perfect for placing in hallways, annexes, entryways, doorways, and walkways, this light allows for a multitude of functions left up to the lighting designer.

Our intelligent LED PoE lighting solutions accelerates digital transformation of facilities in Internet of Thing (IoT) while providing an excellent option to the lighting designer or building management companies that are seeking aesthetic pleasure with digital building solutions throughout the facilities with option of covering multiple building networks beyond considerations of cost and efficiency.

SPECIFICATIONS:

- Input Voltage: PoE Compatible
- Wattage (W): 20W
- Damp location rated, IP20
- Controls 0-10V dimming with PoE Driver

Dimensions:
