

This PoE Tri-Lamp Wall Sconce is a mini wall mounted chandelier. The frosted glass diffusers allow for a soft and gentle illumination ideal for areas which need ambient but ample lighting. The classic transitional design means that it can look good with either a more traditional design pallet or can be incorporated into a more modern pallet. Ideal for but not limited to annexes, hallways, entry ways, vanities, and a variety of different applications.

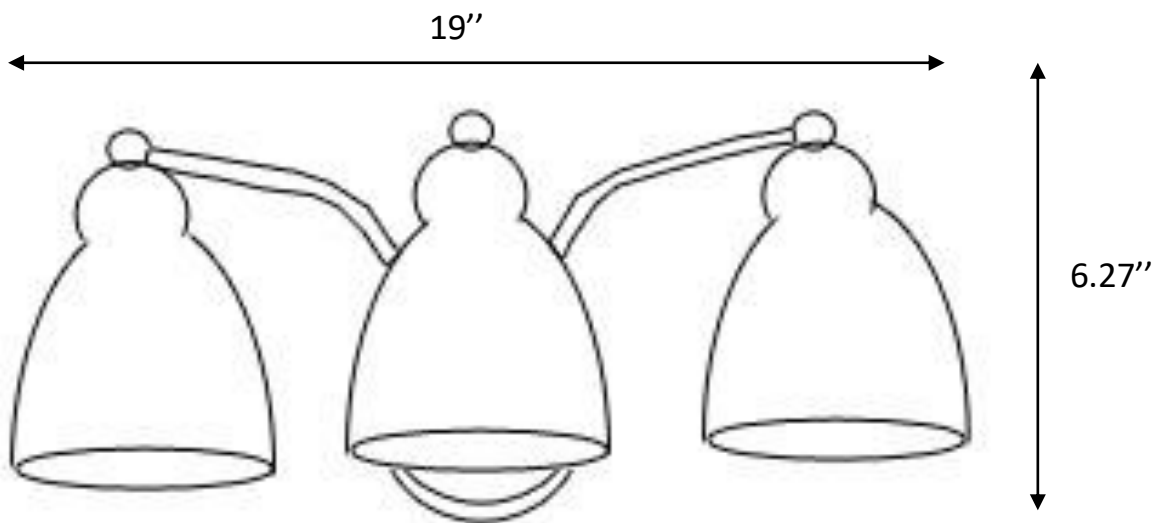

Our intelligent LED PoE lighting solutions accelerates digital transformation of facilities in Internet of Thing (IoT) while providing an excellent option to the lighting designer or building management companies that are seeking aesthetic pleasure with digital building solutions throughout the facilities with option of covering multiple building networks beyond considerations of cost and efficiency.

SPECIFICATIONS:

- Input Voltage: PoE Compatible
- Wattage (W): 15W
- Damp location rated, IP20
- Controls 0-10V dimming with PoE Driver

Dimensions:

Ordering Example:

LI-BE2026-BK
