Prizmatik Elmas Pendant

The Prizmatik Elmas Pendant, crafted from steel and prismatic glass is the perfect addition to any lighting designers' décor. With either a polished nickel finish and prismatic glass shade and lens, this light creates a subtle and unique illumination that will bath the area in nice ambient light. This fixture is also available with a dark bronze finish, polished nickel, and polished chrome. Beautifully crafted, this light is a perfect addition to any type of transitional styled décor.
