

POWERED BY LED INDUSTRIES

PROJECT:

TYPE:

The PoE Black Wenge Frosted Glass Linear Wall Sconce is designed for a variety of applications and styles. It has a more transitional style, able to fit in with a more classic or modern theme. The light is dispersed through frosted glass covers at the top and bottom of the fixture. The bright hue illuminated from the fixture allows for plenty of illumination for vanity areas with its elegant design.

Our intelligent LED PoE lighting solutions accelerates digital transformation of facilities in Internet of Thing (IoT) while providing an excellent option to the lighting designer or building management companies that are seeking aesthetic pleasure with digital building solutions throughout the facilities with option of covering multiple building networks beyond considerations of cost and efficiency.

#### SPECIFICATIONS:

- Input Voltage: PoE Compatible
- Wattage (W): 6W/Bulb
- Damp location rated, IP20
- Controls 0-10V dimming with PoE Driver
